The background of the page is a photograph of a person standing in the center of a long, perspective-filled tunnel. The tunnel is formed by a series of concentric rectangular frames made of thin, glowing light tubes. The person is seen from behind, wearing a dark jacket and pants, standing on a dark rectangular platform. The light from the frames creates a strong sense of depth and perspective, leading the eye towards the vanishing point at the end of the tunnel. The overall color palette is dominated by the warm glow of the light tubes and the cool tones of the person's clothing and the surrounding environment.
